Seller shall not be held liable for failure or delay in the performance of its obligations under this Agreement, if such performance is hindered or delayed by the occurrence of an act or event beyond the Seller's reasonable control (force majeure event), including but not limited to earthquakes, unusually severe weather and other Acts of God, fire, strikes and labor unrest, epidemics, riots, war, civil unrest, and government interventions. Seller shall give timely notice of a force majeure event and take such reasonable action to mitigate the impacts of such an event.

Product Performance Information:

U-Factor, Solar Heat Gain Coefficient (SHGC), and Visible Light Transmittance (VLT) are certified by the National Fenestration Rating Council (NFRC).

For more information regarding the finishing, maintenance, service and warranty of all Pella® products, visit the Pella® website at www.pella.com

Manufacturer stipulates that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not recommend any products and does not warrant the suitability of any product for any specific use.

Design Pressure (DP), Performance Class, and Performance Grade (PG) are certified by a third party organization, in many cases the Window and Door Manufacturers Association (WDMA). The certification requires the performance of at least one product of the product line to be tested in accordance with the applicable performance standards and verified by an independent party. The certification indicates that the product(s) of the product line passed the applicable tests. The certification does not apply to mulled and/or product combinations unless noted. Actual product results will vary and change over the products life.

Terms & Conditions

ARTICLE 1 - SAFETY STANDARD. Unless indicated otherwise, these units are glazed with annealed glass and cannot be installed in hazardous location as defined by federal regulation 16CFR-1201.

ARTICLE 2 - WARRANTY. The Products are covered by Pella's limited warranties in effect at the time of sale. All applicable Product warranties are incorporated into and become a part of this Contract. Please see the warranties for complete details. In the event Pella installs the Products or performs other work other than supplying the Product, to the extent required and permitted by state law, Purchaser acknowledges, understands and agrees that the only warranty or warranties given by Seller for installation of the Products (not the Product itself) is the applicable PELLA INSTALLATION LIMITED WARRANTY. Purchaser acknowledges that the terms of such Warranty are clear, specific and sufficiently detailed to establish the only standards of construction which Seller is obligated to meet.

Full payment for all product, services and any change order work provided by Seller is due in full at time of substantial completion of installation and is non-negotiable. The associated product and installation warranty provided by Seller only becomes effective upon final and complete payment. Seller cannot guarantee that service and warranty issues will not arise during and after installation. Any service and or product issues, including but not limited to defective and damaged products received from manufacturing, cannot be reordered, scheduled or replaced until the warranty goes into effect.

ARTICLE 3 - NON-PELLA PRODUCT. Non-Pella product is not covered by the Pella 20/10 limited warranty.

ARTICLE 4 - SUMMIT AUTOMATION. Pella provides no warranties and expressly disclaims all warranties to any purchasers and/or users of any Summit Automation door system utilizing any of Pella's door panels or otherwise, whether express and/or implied in fact or by operation of law, including, but not limited to, the implied warranty of merchantability and the implied warranty of fitness for a particular purpose. Under no circumstance shall Pella be held liable to Summit Automation, or to any person or entity for any direct, indirect, incidental, consequential, compensatory, special, exemplary, punitive and/or monetary damages of any kind regardless of whether Pella had been advised of the possibility of such damages.

ARTICLE 5 - LABOR. Unless Labor is included within this Contract, Purchaser acknowledges that Seller is not responsible for the installation or finishing of the Product or performance of the Work.

ARTICLE 6 - TITLE. Seller reserves title to the Products and/or articles covered by this Contract until full payment is made, and the same shall remain and be considered for all purposes as personal property and not attached to or becoming part of the realty, regardless of the method or manner of installing the same in or upon the property or improvements of customer.

ARTICLE 7 - LIENS. Seller expressly reserves all constitutional and statutory mechanic's and materialmen's liens which may be asserted under any provision of law to secure payment of the Contract price and may, at Seller's option, assert and fix the same as liens upon the real property on which installation is made. In the event payment is enforced through attorneys or by suit or in bankruptcy or probate proceedings, Seller may recover reasonable attorney's fees and costs of court. All sums not paid as due bear interest at the maximum legal rate.

ARTICLE 8 - OBJECTIONS TO WORK. Purchaser agrees to promptly notify Seller in writing of any objections to the Products and/or Labor. Failure by Purchaser to promptly notify Seller of objections to the Products supplied or Labor performed within five (5) days of delivery and/or completion shall constitute an acceptance of that portion of the Product or Labor. Purchaser acknowledges and agrees, however, that it may be inappropriate and/or unreasonably expensive and time-consuming to replace, re-fabricate or repaint a component that exhibits a minor defective condition. In such instances, Seller, in its sole judgment, may (i) employ an alternate remedy to correct the deficiency in conformance with reasonable building practices, or (ii) conclude that the condition is within acceptable tolerances and take no corrective action.

ARTICLE 9 - STORAGE FEES. In the event Purchaser fails to accept delivery of the Product on the agreed-to delivery date, Purchaser agrees to pay Seller a monthly storage fee of 2% of the total purchase price (exclusive of sales tax). Purchaser shall pay all storage fees before the Product is delivered. Seller shall only be required to store such Product for up to ninety days. After ninety days, if Purchaser refuses delivery or fails to pick up the Product, then Seller may retain the Product and apply a 100% cancellation fee (100% of selling price). Purchaser will be responsible for remaining product balance and unpaid storage fees. Managed accessories (screens & hardware) will be held for up to 6 months from delivery of main product. After 6 months, Purchaser agrees to pay Seller a monthly storage fee of 2% of total purchase price OR \$150 monthly fee, whichever is greater.

ARTICLE 10 - CHANGES/CANCELLATIONS. Because these products are custom manufactured for your order, a cancellation fee equal to 100% of the selling price will be assessed for changes after contract acceptance. The Customer must notify the Seller three (3) business days in advance of the planned delivery date to reschedule your order. The Customer will be responsible for a \$150 fee for failure to notify the seller of a rescheduled delivery date.

ARTICLE 11 - PERSONAL SAFETY. PURCHASER AGREES TO RELEASE AND/OR INDEMNIFY AND HOLD SELLER HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS OR CAUSES OF ACTION ARISING IN FAVOR OF PURCHASER OR PURCHASER'S AGENTS, LICENSEES AND INVITEES ON ACCOUNT OF BODILY INJURY, DEATH OR DAMAGE TO OR LOSS OF PROPERTY IN ANY WAY OCCURRING OR INCIDENT TO THE DELIVERY OF THE PRODUCT OR COMPLETION OF LABOR. THIS RELEASE AND INDEMNITY IS GIVEN TO SELLER REGARDLESS OF WHETHER SELLER OR ITS AGENTS OR EMPLOYEES ARE NEGLIGENT IN WHOLE OR IN PART AND EVEN WHEN THE INJURY, DEATH OR DAMAGE TO OWNER OR OWNER'S AGENTS, LICENSEES AND INVITEES IS CAUSED BY THE SOLE NEGLIGENCE OF SELLER OR ATTRIBUTABLE TO SELLER'S NEGLIGENCE PER SE OR IMPOSED BY STRICT LIABILITY.

ARTICLE 12 - INDEMNIFICATION. PURCHASER SHALL INDEMNIFY AND SAVE SELLER HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEY'S FEES) RESULTING FROM (I) PURCHASER'S BREACH OF THIS CONTRACT; OR (II) PURCHASER'S NEGLIGENCE; OR (III) PURCHASER'S OR THIRD PARTY'S MISUSE OR MISAPPLICATION OF ITEMS SUPPLIED BY SELLER.

ARTICLE 13 - WAIVER OF SUBROGATION. The parties agree to waive all subrogation rights that each may have against the other for such insured losses or damage to the Product and/or Labor, including any such loss or damage arising from the negligence or other fault of either party. If Purchaser receives any consideration from a third party, including, but not limited to, an assignee or subrogee, in settlement or payment for any dispute, Purchaser shall indemnify Seller for any claims asserted against Seller by such third party, regardless of any allegation of Seller's negligence, strict liability, breach of contract, breach of warranty or violations of the Texas Deceptive Trade Practices-Consumer Protection Act. The agreements in this paragraph shall survive after delivery of the Products, completion of the Labor, or payment of the contract Price.

ARTICLE 14 - LIMITATION OF LIABILITY. In no event shall Seller have any liability for, nor shall Purchaser have any remedy against Seller for, any claim, loss or damage representing incidental or consequential or other damages, or any lost profits or savings. Further, Seller's liability to Purchaser for any cause or combination of causes in the aggregate shall be limited to an amount no greater than the payment Purchaser paid for the Product supplied under this Contract.

ARTICLE 15 - MANUFACTURER'S SPECIFICATIONS. Purchaser and Seller acknowledge and stipulate that the manufacturer's specifications for the Product supplied and purchased under this Contract is incorporated as if fully set forth herein.

ARTICLE 16 - ENTIRE CONTRACT. This Contract constitutes the entire agreement between Purchaser and Seller and supersedes all other oral or written proposals, purchase orders, agreements, representations, and communications between Purchaser and Seller relating to the subject matter hereof. Any changes or additions to this Contract must be agreed to and approved in writing by a duly authorized representative of Purchaser and Seller. This Contract is binding upon Seller only upon acceptance by an authorized executive of Seller at the home office. All agreements are subject to prior sale, government regulations and requirements. If the Contract is not approved Purchaser will be notified in writing within five days of contact date. Otherwise the Contract is automatically approved.

ARTICLE 17 - REPRESENTATIONS LIMITED. There are no representations, promises, agreements or understandings not expressed herein. Purchaser may not assign this Contract or any rights hereunder.

ARTICLE 18 - ATTORNEY FEES. The prevailing party in any arbitration or legal proceedings brought under or with relation to this Contract may be entitled to recover from the non-prevailing party all costs of such proceeding and reasonable attorney's fees.
